I/we certify that I/we have participated sufficiently in the intellectual content, conception and design of this work, the acquisition, analysis and interpretation of the data (when applicable), or the drafting of the manuscript, revising of manuscript critically for important intellectual content or final approval of the manuscript. I/we agree to take public responsibility for the manuscript and to have my/our name listed as an author. I/we believe the manuscript represents valid work. Neither this manuscript nor one with substantially similar content under my/our authorship has been published, accepted for publication, or is under peer review or being considered for publication elsewhere, except as described in the cover letter. I/we certify that all of the relevant data collected during the study is presented in this manuscript and no data from the study has been or will be published separately. I/we attest that, if requested by the editors, I/we will provide the data/information or will cooperate fully in obtaining and providing the data/information on which the manuscript is based for examination by the editors or their assignees. Financial or other relationships, direct or indirect, that might create or may be perceived to create a conflict of interest for individual authors in connection with the content of this manuscript have been disclosed in the cover letter. Sources of outside support for the study are named in the cover letter.

I/We hereby transfer(s), assign(s), or otherwise convey(s) all copyright ownership, including any and all rights incidental thereto, exclusively to the Journal, in the event that such work is published by the Journal. The Journal shall own the work, including 1) copyright; 2) the right to grant permission to republish the article in whole or in part, with or without fee; 3) the right to produce preprints or reprints and translate into languages other than English for sale or free distribution; and 4) the right to republish the work in a collection of articles in any other mechanical or electronic format.

We give the rights to the corresponding author to make appropriate necessary changes as requested by the Journal, correspond with the Journal on our behalf.

The article will be published under the terms of the latest Creative Commons Attribution-Non-Commercial-ShareAlike License, unless the Journal notifies the author otherwise in writing.

All persons who have made substantial contributions to the work reported in the manuscript, but who are not contributors, are named in the Acknowledgment(s) and have given me/us their written permission to be named. If I/we do not include an Acknowledgment that means I/we have not received substantial contributions to this manuscript from individuals not named as authors and no contributor has been omitted.
